ORDER FOR MEDICAL EVALUATION  
AND APPROPRIATE TREATMENT OF DETAINEE

The Defendant and/or counsel having reported that the Defendant suffers from the following conditions and/or has been prescribed the following medications:

1) Defendant presents in Court with an eye injury  
counsel advises is related to a gunshot wound.  
2) Defendant's counsel advises Defendant may need  
and the Court having the following additional concerns:  
mental health evaluation  
and treatment.

IT IS ORDERED that the United States Marshal and/or his contracting agencies:

1. Cause the Defendant to promptly receive an evaluation by an appropriate health care provider;
2. Cause the Defendant to receive care and treatment consistent with the standard of care for the illness(es) and/or condition(s) revealed by the evaluation;
3. Make appropriate records and reports concerning the above illnesses, conditions, and treatment, and, if requested, provide the same to the Court; and
4. Deliver a copy of this order to the personnel in charge of the Defendant at the place of detention.
